Hello Conrado and Bill-

Please see attached guidelines and form for the Mural Fund. Please complete the form with information available at this early phase, and acquire signature at the bottom of the form. Please add the amount for the mural project at \$5,000.

Because the proposal states that imagery will be changed, we will be approaching the project as a new "Original Art Mural" which would require registration per the Mural Ordinance. We will reach out to Ave 50, the fiscal receiver stated in the proposal, to discuss the contract.

Thank you,

Yami

Hi Conrado,

It was good seeing you last week.

The Quetzalcoatl Mural Project has resurfaced and Bill Cody from your office has inquired about allocating money from the Mural Fund towards this project. There is \$20K available and the request is to utilize \$5K. Please let us know if Bill is now the lead on this project or if our communication should go through you.

In any case, I have copied everyone involved thus far so that we are all on the same page in terms of initiating services.

My best,

Hi Conrado,

This is a one time allocation for the time being. The funds rollover to the following fiscal year if they are unspent.

Hi Tania,

Does the Council Office receive \$20,000 every budget year for murals, or is this a one time allocation?

Thanks.

Hi Conrado,

Thanks for your patience as I reviewed the proposal and had a moment to discuss the project feasibility with my colleague, Yami Duarte.

While this project would be a great candidate to be funded through the Council Office's Mural Funds, there are some concerns that we have with the proposal that we could address with either [REDACTED] or Avenue 50 if we were to proceed with entering into a contract. Some of the questions that we have pertain to the budget breakdown, fiscal receiver's role, lead artist's involved and their projected completion date. We understand that for the most part this proposal is considered "conceptual" and would get refined once we formally initiate the project, but wanted to make you aware of our initial thoughts.

Let us know if you would like DCA to move forward with contacting [REDACTED] and get started on process.

My best,

Hi [REDACTED]

Before our office makes a recommendation on whether we would allocate some of our mural funds to this project, please let me know if this project is eligible.

Conrado, Here is the proposal that you wanted me to re-submit to Gilbert Cedillo's office-CD-1. We look forward to working with you and Cedillo's office and DCA. Made some revisions made to the proposal. Please keep me informed and when should I get back to you in regards to the proposal and funding for this restoration/preservation project. Feel free to contact me if you have any questions that you need answers to. Talk to you soon.

Hi [REDACTED]

Felicia asked that I use the contract template you used for the mural in San Pedro, contractor, San Pedro Waterfront Arts District and artist Luis Sanchez.

Please let me know when you have a moment to go over that contract structure.

Thank you,

Yami

Hi Yami,

Apologies for not getting this to you sooner.

Attached please find the contract for the San Pedro Waterfront Arts District group as well as the Agreement between them and the artist; and them and the private developer.

I'd be happy to further discuss after you have a chance to review the documents.
